Prof. A. Buja's Music School.

Prof. Buja is the author of "Dreyfus," sung in Italy by the celebrated baritone R. Stracciari of the Metropolitan opera house. Not only is he a fine artist, composer and player, but he is also a splendid music teacher. That is the reason that he has had so great success with his pupils who do not have to go to a foreign country for perfection. Prof. Buja can give lessons on any instrument called for, especially in vocal, piano and violin. 189 River street, Montpelier, Vt.

No Trespassing.

All persons are hereby warned that berry picking or trespassing in any manner upon my property is strictly forbidden.
